Guggenheims May Put More Millions In Alaska

SEATTLE, July 7.—Stephen Birch, who arrived in this city yesterday, announced that the Guggenhelms expect shortly to begin the expenditure of another \$10,000,000 investment in Alasha. The money will be expended in mines in the Copper river district, said Birch, provided the properties stand up under investigation.

Birch is leading a big field force into the White river district. Among other things that it is proposed by calculation for the parama-Pacific exposition. The meaning of this amendment is that the Alaska exhibit will be cared for from the Federal appropriation for the Panama-Pacific exposition.
